

# Attention FDA

0318 '00 MAY -4 AIO 56

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*IF I Am Forced To be Examined - Then The FDA Should Pay  
I Am On A Fixed Income.*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*My Only Bad experience was The High Bill I Received  
For An Examination. When I Told The Company I Could Not  
Pay \$1800.00 For JUST 1 hearing Aid.*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*Please Don't Take away any more OF Liberty!!*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*yes! yes! yes!*
